

About Murata

Murata's profile

Murata products are playing pivotal roles all around the world. Since our sales exceed one trillion yen and are generated from products with high shares in global markets, we have opportunities to communicate with many customers in a wide range of industries, which allows us to stay ahead of and anticipate customer needs.

A diverse range of products for a diverse range of applications

Murata holds a large market share in a wide range of products, from our mainstay capacitors to filters, coils, sensors, batteries, and other components, and modules comprised of these components. The areas where our products are valued have expanded beyond our core electronics field, including mobile phones, computers, AV equipment, and home appliances, resulting in the increasing demand from areas such as automobiles, healthcare, and energy.

Global expansion and development

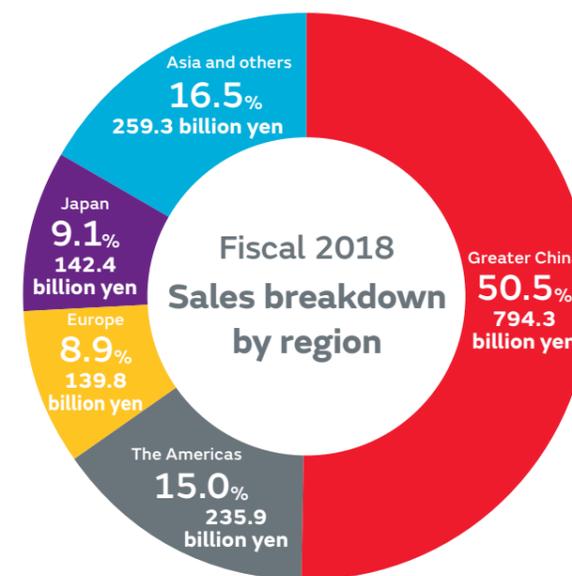

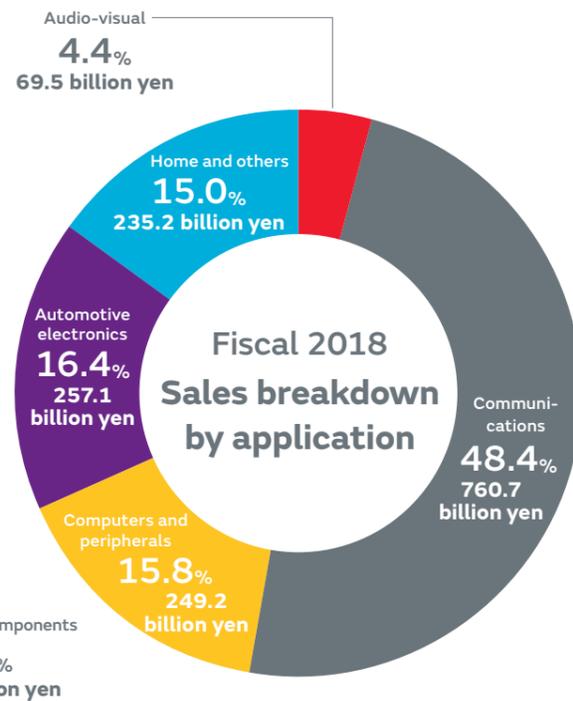

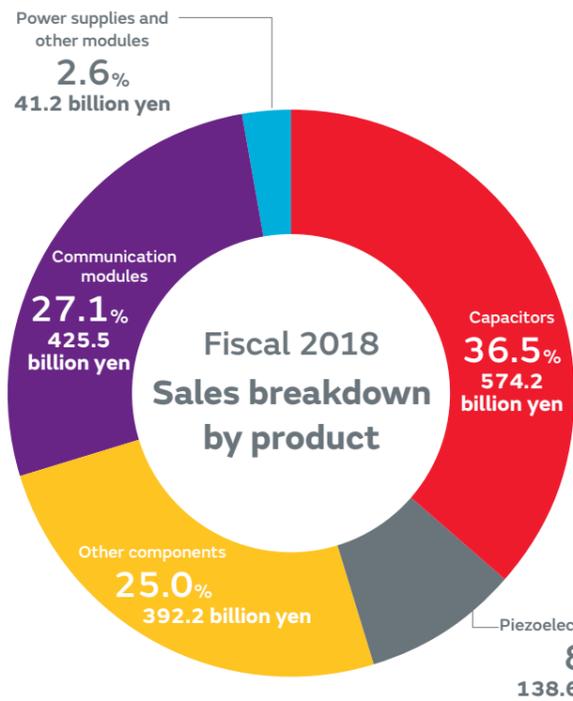

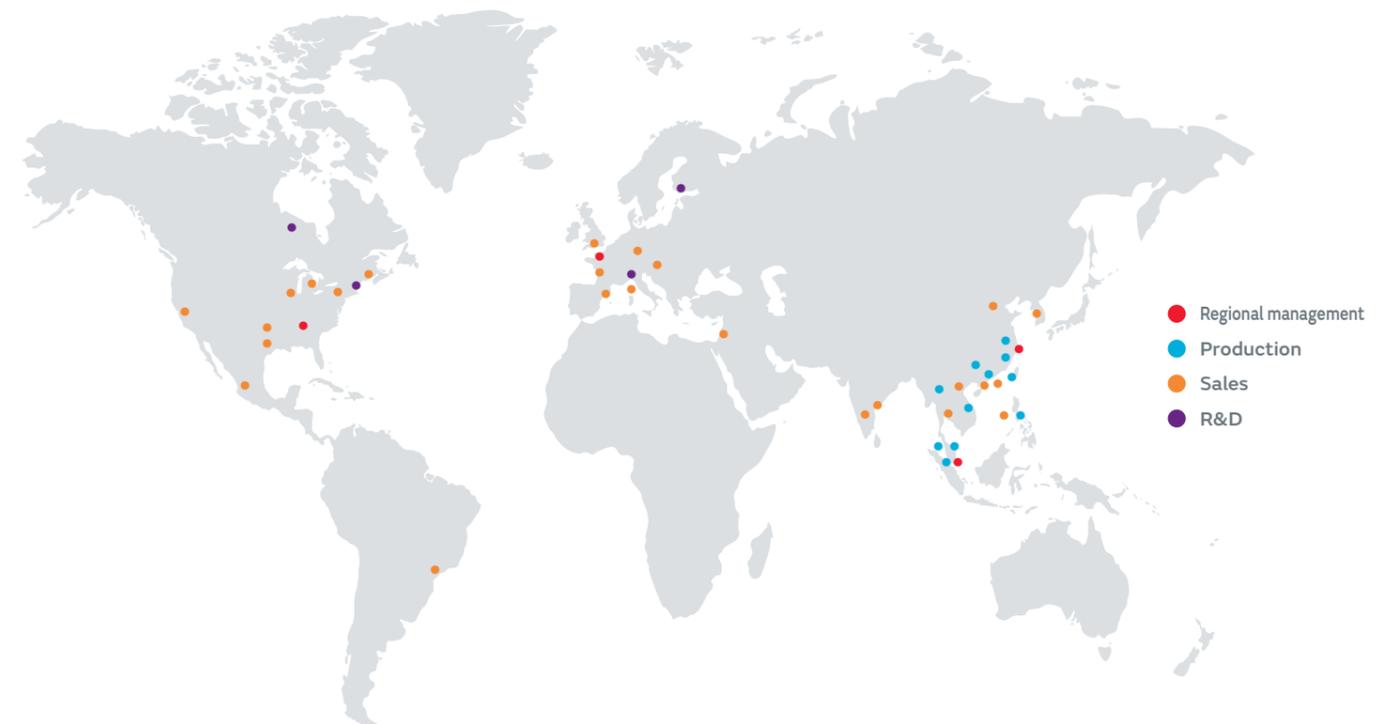

Murata's ratio of sales outside of Japan to net sales exceeds 90%. Murata's strength lies in our network owing to its global business expansion and development, enabling us to offer high-quality products and excellent services in locations all around the world.
