

### 78602/8JC

Note: This datasheet may be out of date.

Please download the latest datasheet of 78602/8JC from the official website of Murata Manufacturing Co., Ltd.

http://www.murata.com/en/products/productdetail?partno=78602%2f8JC

## **Applications**

| Unsuitable   | Please be sure to read and comply with     |  |
|--------------|--|--|
| Applications | these "Precautions for use."               |  |
|              | Consumer equipment,Industrial              |  |
|              | Equipment                                  |  |
|              | Please refer to Our Website and            |  |
|              | specifications, etc. for information about |  |
| Specific     | the performance, functions, quality,       |  |
| Applications | management, and safety required for        |  |
|              | the above applications, and use            |  |
|              | Products after confirming the              |  |
|              | performance and reliability of the actual  |  |
|              | Product.                                   |  |

# Appearance & Shape

#### Attention

1.This datasheet is downloaded from the website of Murata Manufacturing Co., Ltd. Therefore, it's specifications are subject to change or our products in it may be discontinued without advance notice. Please check with our sales representatives or product engineers before ordering.

2. This datasheet has only typical specifications because there is no space for detailed specifications.

Therefore, please review our product specifications or consult the approval sheet for product specifications before ordering.

### **Specifications**

| Height (inch)                      | 0.25inch  |
|------------------------------------|---|
| Height (mm)                        | 6.35mm  |
| Width (mm)                         | 12.7mm  |
| Depth (mm)                         | 9mm   |
| Mounting Option                    | Surface Mount   |
| Turns Ratio (Pri)                  | 1   |
| Turns Ratio (Sec)                  | 1   |
| Turns Ratio (Sec2)                 | 1   |
| Turns Ratio                        | 1 to 1 to 1   |
| Primary Inductance Min. (µH)       | 970µH   |
| Primary Constant, ET Min (Vµs)     | 15Vµs   |
| Leakage Inductance Typ. (μΗ)       | 0.37μΗ  |
| Primary DC Resistance Max. (Ω)     | 0.46Ω   |
| Interwinding Capacitance Typ. (pF) | 47pF  |
| Isolation Voltage (V)              | 1000Vrms  |
| Packaging style                    | Tube  |
| Package weight (g)                 | 1.1g  |
| Package Qty.                       | 50  |
| Short Description                  | The 786J series surface mount general purpose pulse transformer |
| Description                        | The 786J series surface mount general purpose pulse transformer |
| Series                             | 786J  |

| Carias Handlina    | Surface Mount General            |
|--------------------|----------------------------------|
| Series Headline    | Purpose Pulse Transformers       |
|                    | The 786J series is a             |
|                    | comprehensive range of           |
|                    | general purpose pulse            |
|                    | transformers. Common             |
|                    | applications include line        |
|                    | coupling, matching or isolating. |
| Series Description | The devices can also be used     |
|                    | in small isolated power          |
|                    | supplies and also as             |
|                    | commonmode chokes in             |
|                    | filtering applications. For      |
|                    | through hole variants please     |
|                    | see 786 Series datasheet.        |
