## SFSKA4M50CF00-R3

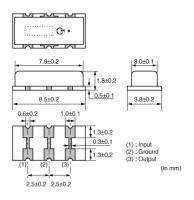

## **Applications**

| Unsuitable               | Please be sure to read and comply with     |  |
|--------------------------|--|--|
| Applications             | these "Precautions for use."               |  |
| Specific<br>Applications | Consumer equipment                         |  |
|                          | Please refer to Our Website and            |  |
|                          | specifications, etc. for information about |  |
|                          | the performance, functions, quality,       |  |
|                          | management, and safety required for        |  |
|                          | the above applications, and use            |  |
|                          | Products after confirming the              |  |
|                          | performance and reliability of the actual  |  |
|                          | Product.                                   |  |

### Appearance & Shape

## Packaging Information

| Packaging | Specifications      | Standard<br>Packing<br>Quantity |
|-----------|---------------------|---------------------------------|
| -R3       | 330mm Embossed Tape | 3000                            |

#### **Features**

SMD ceramic filter SFSKA\_CF is a small and thin SMD filter sealed with a metal cap. Recommended for LCD-TVs, and small and thin tuners.

#### Features

- 1. High attenuation outside bandwidth.
- 2. Small and thin package.
- 3. Reflow-solderable.

# **Specifications**

| Operating Temperature<br>Range | -20°C to 80°C        |
|--------------------------------|----------------------|
| Shape                          | SMD                  |
| Elements                       | 2                    |
| Center Frequency               | 4.500MHz             |
| Nominal Center Value           | Yes                  |
| 3dB Bandwidth                  | fn±60kHzmin.         |
| Stop Bandwidth                 | 600kHz               |
| Spurious Attenuation           | 20dB[within 0 to fn] |
| Insertion Loss                 | 6.0dBmax.            |
| Input/Output Impedance         | 1000Ω                |
| Mass                           | 137mg                |
